

SEAT Communication strategy

- The number of interdisciplinary collaborators mean that efficient communication is essential
- What methods are available to us?
- What methods would people prefer?

SEAT Communication strategy

- Questions for communication strategy activity - Day 2
 - What are communication needs in terms of **activity planning, fieldwork logistics** - What would Asian partners like to have? Passports scans/numbers etc.
 - **Email communications**
 - **Publication sharing**
 - **Conference calls**
 - **Consultation / strategy review Group**
 - How can we **minimise travel**
 - **Presentation** of SEAT to other stakeholders

SEAT Communication strategy
